Applauds Who Obey His Orders
and Ignores the
Disobedient.

Senator Tim Sullivan and Assembly-
men Mitten and Butts Are
Out of Favor.

"DRY DOLLAR" IS READY FOR WAR.

Vote on the Greater New York Bill
Leads to a Direct Slog at the
Men Who Voted with the
Republicans.

There is a lively row going on in Tammany Hall which may require the diplomacy of Richard Croker to straighten out. The trouble arises over the stand taken by Tammany in the Legislature when the Greater New York bill was up for final passage over the votes of Mayors Strong and Wurstler.

The Senate the Wisconsin representatives supported the measure, as there was no chance of defeating it, but when it came up in the Assembly orders were sent by John C. Sheehan from Fourteenth street to the Wigwam Assemblymen to vote against the bill. The order was observed by all except Jacob A. Mitten, of the Sixth District, and Arthur C. Butts, of the Thirty-fifth District, who voted with the majority in favor of the Lexow programme. Bernard H. Malone, of the Thirty-fourth District, who died a few days ago, was absent on account of sickness.

A meeting of the Tammany Assemblymen was held yesterday afternoon for the ostensible purpose of preparing resolutions of sympathy and regret upon the death of Mr. Malone. There was another object, however, in calling the meeting, and this was to put the organization stamp of disapproval on Butts and Mitten for kicking over the traces at Albany. Neither of these gentlemen was invited to be present. Leader Sheehan made a short speech, commending those present for their records in the Legislature. He said that although no "orders" had been issued by Tammany Hall during the past winter, the legislators were aware of the wishes of the organization and had voted accordingly. Particularly was this true as far as it applied to two distinctively political measures of the session—the Excise and the Greater New York bills.

Hardly had the meeting adjourned when Assemblyman Mitten entered the Wigwam and in an excited manner asked if Senator "Tim" Sullivan had been there. The Bowers statesman had not appeared. It was learned later that Sullivan was in the neighborhood, prepared to take issue with Sheehan if he said anything in denunciation of Butts or Mitten, and being informed that no names had been mentioned, did not go to headquarters.

Sullivan, Butts and Mitten belong to what is known in Tammany as the Purroy faction, the leader of which, County Clerk Henry D. Purroy, is absent in Europe. Politicians who are well posted on Tammany affairs expect trouble between Sheehan and Purroy when the latter returns to New York. Sheehan and his friends would like to discipline the three legislators, but those who are familiar with the situation say that not even Croker could discipline Sullivan, who will stand by Mitten, while Butts will have to look to Purroy for protection.

The annual meeting of the Tammany Society will be held next Tuesday night. The feature of the evening will be the installation of the sachems elected two weeks ago. The sachems will also meet and select officers for the ensuing year. Among the names suggested for grand sachem in place of Supreme Court Justice Smyth, who is expected to resign, is that of ex-Police Justice Thomas L. Feiner.

Committed Without Bail This Time.
For the third time in eighteen months John Leeper, of No. 24 Richardson street, was arraigned yesterday in the Lee Avenue Police Court, Williamsburg, before Justice Goetting, on a charge of burglary. He was accused of robbing on Sunday the foot mill of Marsh, White & Co., Nos. 51 and 53 Kent avenue. Eighteen months ago, when he first came before Justice Goetting, he insisted that he was a much-abused man, but was held for the Grand Jury.

He was released on bail. Yesterday the Justice committed him to jail without bail.

BLOCKED BY RAINES LA W

District-Attorney's Office Is in Despair
and the Toms Is Choked
With Prisoners.

The new Raines law contains a clause to the effect that the District-Attorney shall try excise cases "immediately" under penalty of a fine of \$500 for each case or removal from office. As a result they are pushed ahead of other cases, and the more important business of the office is practically at a standstill. Since April 1, 343 excise cases have reached the office, of which were tried and convictions were secured in less than six. District-Attorney Fellows has applied to the Board of Estimate and Apportionment for an increase of appropriation, in order to enable him to increase his working force, but it is doubtful, even if the request is granted, that it will relieve the congested condition, unless the number of criminal courts are also increased.

"It is an alarming condition of affairs, and I don't know what we shall do," Assistant District-Attorney Henry W. Unger yesterday. "There are sixteen hundred cases in the Toms awaiting trial, but we cannot touch them. The calendars of the four parts of the Court of General Session are filled with excise cases. We have thirty of them on for trial to-day, distributed about the four courts. The Toms and the Court of Sessions are overcrowded with people awaiting trial, and to every one who goes out two or three go in."

Criminal lawyers hold that unless some relief is found there will have to be a large number of prisoners discharged from the Toms without the formality of a trial by jury. The law permits the release of a prisoner if he is not given a hearing within three successive terms of court, except in cases where the delay is at the request of the defendant. Under the existing condition of affairs the District-Attorney holds it is impossible to try the cases within the prescribed time.

When there are 350 prisoners in the Toms, the proper capacity has been reached. Only once under Tammany rule the number reached over 400. To-day the register at the Toms shows that 350 persons are awaiting trial, with almost as many more out on bail.

Houses in Danger of Being Stolen.
Several weeks ago three two-story frame houses on Varot street, near Broadway, Brooklyn, were condemned and the ten-
ants moved away. Yesterday Captain Buckholz, of the Stage Street Station, found it necessary to detail a policeman to keep the boys of the neighborhood from carrying the old buildings away, piecemeal. They had already stolen so much of the foundation that the buildings were in danger of toppling over.

CURING THE DEAF.

Peter J. Ciancay, 228 East 80th
street, city: "I was excused from jury duty by
Judge Patterson because I was so deaf. My
hearing has been restored and I can hear per-
fectly."

Mrs. W. H. Simmons, 673 Seventh
street, city: "I was deaf for years. My
right ear was of no use to me at all. The hear-
ing in my right ear is perfect now, and I can
hear the clock tick with my left ear."

James Flynn, 645 West 130th
street, city: "I couldn't hear anything in my
right ear. I was stone deaf in that ear. There
was a roaring sound in that ear. Now I can
hear distinctly in my right ear, and the noises
are all gone."

Thomas Gordon, 512 East 11th
street, city: "I was so deaf in both ears I
had to shout at me in order to make me hear
what they said. I held a watch tightly to each
ear to find out how deaf I really was. I could
not hear it tick, and I decided to go to the Co-
peland physicians. After I had been under treat-
ment a short time, I held my watch to both ears
and I could hear it tick plainly."

John E. Blake, 607 Third avenue,
city: "I was deaf for years. I was very deaf
in my right ear. I was so deaf in that ear
that I could not hear anything in that ear. There
was a noise in my ear, the sound like water fall-
ing. I went to the Copeland physicians, and they
restored my hearing. I can hear distinctly in my
right ear that was deaf."

Lizzie Rogoz, 24 Clinton street,
city: "I was deaf for years. I was very deaf
in my right ear for over twenty years; so deaf that
I could not hear anything in that ear. There
was a noise in my ear, the sound like water fall-
ing. I went to the Copeland physicians, and they
restored my hearing. I can hear distinctly in my
right ear that was deaf."

Head and Throat.

Thomas Gordon, 512 East 11th
street, New York. Very deaf for

Grace McDonald, 192 South Second
street, New York. Very deaf for
years. Hearing restored.

James Clark, 254 East 10th street,
Brooklyn: "For twenty years I had been unable
to hear what people said to me if they were on
my right side. One day after being treated I went
home and found what people on the way said.
I knew my hearing was coming back. Now I
can hear a watch tick six inches from the right
ear that was totally deaf for twenty years. I can
hear distinctly now anything that is said to me."

Doctor Copeland's Monograph on Deaf-
ness will be mailed on application to those
directly interested in the cure of this condition.

NO DESIRE FOR FOOD.
NOW EATS WITH A RELISH.

Fortunato Clemente, 113 Oak street,
Mount Vernon, New York, says: "My head,
throat and stomach were so badly affected that
I had headaches, pains in my body and felt mis-
erable. I could not do any work. My head
was always stopped up. I always felt tired. I
had no desire for food, and ate my meals me-
chanically. I am a different man to-day. I can
work. I eat with a relish for my food.
The tired feeling has left me, and I feel well
and strong."

WEAK AND MISERABLE
NOW HAPPY AND STRONG.

Richard Frezill, 516 West 45th
street, says: "I had great difficulty in breath-
ing, as my head was always stopped up, and I
had a bad cough. I was always hawking and
spitting. The mucus poisoned my stomach and
made me weak and miserable. I went to the
Copeland physicians, and to-day I am a well
man."

GOT WEAK AND THIN.
NOW IN ROBUST HEALTH.

Timothy Driscoll, 65 Carmine
street, city, says: "I suffered from kidney dis-
ease and heart trouble. I had continual dull
pains across the small of my back. I got weak
and thin and lost thirty pounds in three months.
Under the Copeland treatment I have regained
the thirty pounds I lost and I am cured. I feel
strong and robust and as well as I ever did in
my life."

CURED AFTER HE HAD
SUFFERED TWENTY YEARS.

Joseph Wood, 382 South Fourth
street, Brooklyn, says: "I suffered from palpi-
tation of the heart, complicated with bronchial
asthma. I had this trouble for twenty years.
My sickness made me weak. I lost flesh and
strength steadily, and I was unable to sleep.
I went to the Copeland physicians a few months
ago, and was very weak and nervous, and
could not sleep well. The Copeland physicians
had a hard fight with my case, but after a
thorough course of treatment, I feel just as
strong and well as I ever did in my life."

THOUGHT IT CONSUMPTION.
NOW STRONG AND WELL.

Mrs. Louisa Jones, 325 East 10th
street, city: "I was a very sick woman when
I went to the Copeland physicians. I thought
I was going into consumption. I was hardly
able to walk. I had aches and pains all over my
body. I coughed a great deal. I had pains and
stitches in my chest as if my lungs were being
eaten out. I was very weak and nervous, and
could not sleep well. The Copeland physicians
had a hard fight with my case, but after a
thorough course of treatment, I feel just as
strong and well as I ever did in my life."
